OGC HAS REVIEWED.

MEMORANDUM FOR: Legislative Counsel

SUBJECT: H. Res. 79, Investigation of Use of
Facilities and Manpower by the Department
of Defense and Other Agencies

In accordance with your request, the subject resolution has been reviewed in order to determine if it is of interest to the Agency. It appears to be directed toward the Department of Defense with provision for studying other agencies as appropriate. If subsequent Congressional developments indicate an intention to include CIA, consideration should be given to the Agency's exemption from the bill so that the external disclosure of intelligence sources and methods will not be required.
